“Week” corresponds to the order of the game played so a “Zero Week” game counts as “week 1” and bye weeks do not factor in

* 1988 season had 1 varsity game week 2. Week 2 will always have +1 more than current total varsity seasons

** No game played in week 8 of the 2007 season (Orange Lutheran) due to the Trabuco Canyon Fire.

*** 2020 season only had 6 games because of COVID so weeks 7-10 will always be one short of total seasons

**** 2021 and 2023 the D1 playoffs had an 8team bracket. Games were played in Week 12 after a bye week.
